

Instructions for Energy Efficiency Identification Notice Form for Distribution Voltage Industrial Customers Pursuant to P.U.C. Subst. R. 25.181(w)

Note: This form applies only to a for-profit entity engaged in an industrial process taking electric service at distribution voltage that qualifies for a tax exemption under Tax Code §151.317. Do not use this form if you intend to allow the facilities identified in this notice to participate in any utility-sponsored energy efficiency programs provided by Sharyland Utilities, L.P. (Sharyland) for three years beginning with the first program year in which this notice is effective.

- A. A completed notice form shall consist of the following:
 - 1. A completed Energy Efficiency Identification Notice Form for Distribution Voltage Industrial Customers.
 - 2. A copy of the customer's Texas Sales and Use Tax Exemption Certification (pursuant to Tax Code §151.317).
- B. The identification notice is limited solely to the metered points of delivery of the industrial process taking place at the consuming facilities. A metered point of delivery is identified by an ESIID in areas open to retail competition and a meter number in areas not open to retail competition.
- C. Eligible meter points are metered points of delivery for a for-profit entity that is engaged in an industrial process taking electric service at distribution voltage that qualify for a tax exemption under Tax Code §151.317.
- D. Identification notices shall be submitted not later than February 1 to be effective for the following program year.¹
- E. Identification notices are effective for a three-year period and must be renewed every three years.
- F. Meter points that participate in Sharyland's energy efficiency program in program year 2013 or later are eligible to be a non-participant beginning three years from the program year in which the meter point participated (*e.g.*, if a meter point participates in an energy efficiency program in program year 2013, the meter point is eligible to be a non-participant in program year 2017).
- G. Identification Notices will be treated as confidential, highly sensitive protected material by the utility.
- H. The completed notice shall be submitted to:
 - Chris Wood
 - Billing Manager
 - SHARYLAND UTILITIES, L.P.
 - P.O. Box 428
 - Celeste, TX 75423
 - chris.wood@sharyland.com

¹ A program year is January 1 to December 31.

CONFIDENTIAL—HIGHLY SENSITIVE PROTECTED MATERIAL
